Resolution to the Conservation Council of New Brunswick's 2022 Annual General Meeting

Nov. 26, 2022

Moved by David Thompson

Resolution: Be it resolved that the Conservation Council of New Brunswick is opposed to the use of seal crackers and other explosives or acoustical devices which are or could be harmful to marine mammals and their wellbeing in the Bay of Fundy. Furthermore, we will take initiatives to prevent the use of these devices in the Bay of Fundy. These initiatives may include the use of a visible public campaign.
